

## NETSAN UNIVERSAL CLEANER

Netsan is a maintenance product that gently cleans and protects the surface. It is recommended for cleaning and maintenance of all types of stone materials. Absolutely free of heavy-duty surface-coating substances, Netsan forms a thin protective layer that brightens the colours and facilitates subsequent cleaning and maintenance procedures. It is not necessary to rinse, allowing for single-operation cleaning and maintenance.

**FUNCTION** Rapidly cleans and brightens surface, leaving a pleasingly smooth appearance.

**INDICATIONS** Routine use leaves a dirt-resistant, self-shining film that facilitates subsequent cleanings.

**MATERIALS** Especially recommended for surfaces of natural stone, marble, granite, terracotta, ceramic tiles etc.

**USAGE**

1. Under normal conditions may be used diluted until 10-20% ration with water.
2. Pass mop or cotton rag moistened with pure or diluted product over surfaces to be cleaned. Do not rinse.

**NOTES**

1. This product does not hane any contraindication. For best resulps,routine use is recommended.
2. Dilute in water according to the kind of cleaning to be effected.
3. Keep out of the reach of children.
4. A preliminary test on a small part of the surface is suggested.
