DET 2

STAIN REMOVER
for **wine, coffee, nicotine, fruit, juice, tomato stains** and **organic stains** in general

Gel stain remover expressly studied and formulated for the specific removal of stains of **organic** nature such as **nicotine, wine, coffee, fruit, juices, tomato** etc. It doesn't remove greasy and oily stains for which DET 1 must be used. The stain is chemically destroyed by the gel formulation that allows a prolonged action of the active substances; the presence of wetting agents helps to remove the stains even if deeply penetrated. The product is active until the total drying.

FUNCTION	Water based stain remover, slightly foaming, for organic stains.
LINE	HOUSE MAINTENANCE
INDICATIONS	Suitable for the removal of every kind of organic stains not excessively penetrated in depth such as wine, coffee, nicotine, fruit, juices, tomato and organic colours in general.
MATERIALS	Recommended for all kind of porous and not porous materials. Do not use on metals or materials that can oxidize easily.
USAGE	Before the use shake well the bottle. Apply DET 2 on the stain to be removed and let the product works about 30-40 minutes long. Remove the residual with a clean and moist cloth. If needed repeat, one or more times, the application. Repeated applications can remove also deep stains and eliminate definitively eventual superficial halos/marks.
TEST	A preliminary test on a small, hidden area is recommended before application.
COMPOSITION	Contains sodium hypochlorite. Avoid the contact with eyes and skin. Wear impermeable gloves (rubber or PVC).
TECHNICAL INFORMATION	The application of the product doesn't damage marbles, granites and natural stones but can locally remove some kind of superficial treatments that must be successively restored.
STABILITY	Prolonged storage can reduce the active chlorine content.
LIMITATION OF LIABILITY	The data provided derive from published information or from our own laboratory tests. The information provided here must be considered as a guideline and not as any form of performance guarantee. Liability for defective products, when verified, is limited to refund of the purchase price since application of the product is beyond the control of the manufacturer or supplier.
NOTE	Active chlorine stain remover. Wear acid proof gloves. Keep out from children reach. For further information see the label or consult the Safety Data Sheet.
IMPORTANT	The product works by oxidization. It doesn't damage marbles, granites, natural stones but can oxidize the metals and locally remove some kind of superficial treatments.

A PRELIMINARY TEST IN A SMALL, HIDDEN, AREA IS RECOMMENDED BEFORE THE APPLICATION
